

TO: The Chair and Members of the Development Control & Regulation Committee

FROM: The Executive Director - Economy and Infrastructure

| Ref. No. - Applicant | Site Location / Proposal Description | Item & Pages |
|---|---|---|
| 1/20/9003 Cumbria County Council | Extension of Hard Surfaced Playground Rockcliffe C of E Primary School, Rockcliffe, Carlisle, CA6 4AA, | <u>Item 9</u> Pages 47 - 54 |

Section 4 (Planning History) – Paragraph 4.2 (Page 48 of Agenda Pack): The live reserved matters housing application referenced has a planning application reference number of [20/0091](#). It is understood that this application is scheduled to return to Carlisle City Council's Development Control and Regulation Committee meeting of 19 June 2020.

Errata: Page 51. The subheading above paragraph 8.5 should read: "Would the proposal adversely affect biodiversity?" rather than surface water flood risk.

| | | |
|------------------------------------|--|--|
| 4/20/9002 Sellafield Ltd | Section 73 planning application to amend planning permission 4/91/0315 to remove conditions 1, 2, 3, 4 and 5 granted by Copeland Borough Council as the conditions have either been complied with or are no longer required. Sellafield, Seascale, CA20 1PG | <u>Item 10</u> Pages 55 - 71 |
|------------------------------------|--|--|

Gosforth Parish Council Response: Councillors had no objections to the removal of Conditions 1 to 4 but were concerned about the removal of Condition 5. Their preference would be for an extension to the time limit rather than the removal.

Officer Comments:

Paragraph 7.30 answers the same question asked by Ponsonby Parish Council and addresses the concerns raised.

Page 69 Electoral Ward should read Gosforth and not Seascale.

|--|--|--|
| 5/20/9002 & 5/20/9003 Tarmac | Change of use for temporary storage and crushing of road planings prior to recycling Sandside Quarry, Sandside, Milnthorpe, CA7 7HW | <u>Item 11</u> Pages 73 - 89 |
|--|--|--|

Lead Local Flood Authority Response: Note the comments made by Tarmac (included in the report) and consider them to be acceptable.

Officer Comment: It is now possible to conclude that the application complies with the Cumbria Minerals and Waste Local Plan Policy DC19 that relates to Flood Risk.
