

SCRUTINY MANAGEMENT BOARD

Meeting date: 10th September 2020

**From: Executive Director - Corporate, Customer and
Community Services**

Update on Task and Finish Group Recommendations

1.0 Purpose of Report

1.1 This report provides Scrutiny Management Board with an update on some of the key recommendations made by the Scrutiny Advisory Boards since the last update in June 2019.

2.0 Issues for Scrutiny

2.1 Members are asked to note the broad range of issues considered by Scrutiny Advisory Boards and the impact their recommendations have made.

3.0 Background

3.1 A collation of some of the key recommendations made by the Scrutiny Advisory Boards through Task and Finish Groups and within Board meetings is attached at Appendix 1.

3.2 These updates are based on updates provided to Boards to date. Some updates to Scrutiny Boards have been delayed due to the cancellation of meetings since March 2020 and the review of Board Work Programmes to prioritise issues within the current context. This means some further updates will be provided to Boards over the autumn and winter. It is, therefore, the intention to provide SMB Members with a comprehensive update in early 2021.

3.3 Members should also note that the Scrutiny Annual Report 2019/20 includes further information and case studies on the impact of pieces of Scrutiny work.
