

APPENDIX 4

County Council Local Committee for Eden – 17 January 2018 Highways Non-Devolved Capital Programme 2017-18 Integrated Transport Block

1. Engineering Safety Studies and Implementation Measures (ESS)

Engineering Safety Schemes are works carried out on the highway aimed both at reducing the number and severity of road casualties and at preventing casualties.

The ESS schemes specifically identified in the Eden area for 2017/18 are shown below.

Scheme Name	Description	District	Delivery year	Cost to CCC	Comment
A6 Penrith	Extension of footway and additional road markings.	Eden	2017/18	9,000	March 2018
			TOTAL	£9,000
