Note 5

Explain why the register should be amended and how you think it should be amended.

5. Describe the purpose for applying to correct the register and the amendment sought

From comparing the registration documents to the register map it seems that in 1970 the registration authority made a mistake by including within the boundaries of CL495 a piece of land on the eastern side which is excluded from the boundaries of common land on the original application map submitted by Millom Without Parish Council (the land with an arrow pointing to it with a letter "G" beside it on the original application map).

Note 6

List all supporting consents, documents and maps accompanying the application, including evidence of the mistake in the register. There is no need to submit copies of documents issued by the registration authority or to which it was a party but they should still be listed. Use a separate sheet if necessary.

6. Supporting documentation

1. Plan of Register of Common Land CL 495
2. Application by Millom Without Parish Council dated 7th July 1970 and plan attached to it.

Note 7

List any other matters which should be brought to the attention of the registration authority (in particular if a person interested in the land is expected to challenge the application for registration). Full details should be given here or on a separate sheet if necessary.

7. Any other information relating to the application
