

Casualty Reduction and Safer Highways Group
(C.R.A.S.H.)

Pre - meeting Remit

In which the CRO's play a key role:

- a. Review of recent collisions and over the last 3 year period – What are the issues? (user group/location/causes) - then react to as appropriate.
- b. Community road safety concerns – individuals, councilors and groups.
- c. Share information – e.g. ESS, speed limit reviews, local activities, between areas etc.
- d. Preparation for local high risk events and planned attendance at local shows (promotion).

Formal meeting agenda

1. Introductions and apologies.
2. Accuracy of minutes and actions from previous meeting.
3. Summary reports from the Local Meetings (include any lessons for the County as a whole)
4. Actions Log – progress.
5. Requests for Funding.
6. County wide performance
(KSIs and slights stats for both county and local)
7. County wide Communications Plan (Topics which could be supported with enforcement operations)
8. Monitoring of the non - CRASH aspects of the 2019 - 22 Road Safety Plan
9. A.O.B.
