

Overarching priority	Sub priority
Rural Issues Working Group	
<ul style="list-style-type: none"> Eden is an affordable place to live. 	<ul style="list-style-type: none"> Working alongside the district council, help to ensure affordable housing development and infrastructure are a priority in Eden. Address fuel poverty within the district.
<ul style="list-style-type: none"> People in Eden can access the services they need either through appropriate transport links or via an acceptable remote alternative method. 	<ul style="list-style-type: none"> Support and (where appropriate) deliver effective and integrated Community Transport, Walking and cycling routes, road safety and Highways maintenance; as well as consider links to key service hubs. Champion high speed broadband options for all parts of the district. Work with a range of services to support an appropriate rural offer.
<ul style="list-style-type: none"> Learning and skills development is appropriate for rural communities in Eden. 	<ul style="list-style-type: none"> Ensure access to community learning courses. Influence the development of the skills syllabus so that skills are transferrable and appropriate to the changing needs of the area and beyond.
<ul style="list-style-type: none"> Through effective area planning, Eden communities are supported to thrive. 	<ul style="list-style-type: none"> Work with partners in the appropriate area planning groups and the Integrated Care Community (ICC) to achieve locally agreed objectives. Capitalise on community and social opportunities, working with community groups and residents.
Penrith Members Working Group	
<ul style="list-style-type: none"> Penrith has a clear strategy to support improved parking and movement. 	<ul style="list-style-type: none"> With our partners, commission and deliver (where appropriate) the outcomes of the Penrith Parking and Movement Study.
<ul style="list-style-type: none"> In collaboration with our partners we will improve the Penrith Town Offer. 	<ul style="list-style-type: none"> Produce a place plan for Penrith as part of the Borderlands place programme. Consider how CCC can collaborate with partners around service delivery and shared space in town. Work with our partners, community groups and residents to understand and develop the Penrith brand.
<ul style="list-style-type: none"> Through effective area planning, Penrith Communities are supported to thrive. 	<ul style="list-style-type: none"> Work with partners in the Penrith Town Group and the Integrated Care Community (ICC) to support and delivery activity in Penrith. Capitalise on community and social opportunities, working with community groups and residents.
Children and Young People Working Group	
<ul style="list-style-type: none"> Tackle overweight and obesity issues with young children in Eden. 	<ul style="list-style-type: none"> Work with our partners, both internally and externally, to develop programmes to support healthy eating and active lives within schools and youth groups.
<ul style="list-style-type: none"> Support activities that help to improve mental health in young people. 	<ul style="list-style-type: none"> Work with our partners, both internally and externally, to develop programmes to support mental wellbeing within schools and youth groups involving young people in development and delivery as much as possible.
<ul style="list-style-type: none"> Ensure that Eden is attractive to young people. 	<ul style="list-style-type: none"> Consider the social, cultural and employment opportunities and offer a “place for me” for children and young people in Eden. Work with partners (such as the DWP) on a connected and considered youth offer for Eden in terms of employment, training and education.
<ul style="list-style-type: none"> Through effective area planning, Eden communities are supported to thrive. 	<ul style="list-style-type: none"> Work with partners in the appropriate area planning groups and the Integrated Care Community (ICC) to achieve locally agreed objectives. Capitalise on community and social opportunities, working with community groups and residents.
