

COUNTY COUNCIL LOCAL COMMITTEE FOR EDEN

Meeting date: 31 March 2022

From: Executive Director – Corporate, Customer and Community Services

LOCAL COMMITTEE DEVOLVED COMMUNITIES BUDGET 2022/2023 PROPOSED ALLOCATIONS

1.0 EXECUTIVE SUMMARY

1.1 *The devolved allocations for Eden Local Committee have been detailed within the agreed 2022/23 Council Budget. This report outlines proposals, following a Local Committee workshop on 8 March 2022, to allocate the communities budget during the year 2022/23.*

2.0 STRATEGIC PLANNING AND EQUALITY IMPLICATIONS

2.1 *Improved locality working is one of the ways the Council is delivering on its priorities. The County Council vision, included in the Council Plan, sets out that it will be ‘... an effective and efficient organisation that delivers the best possible services for the people of Cumbria within its available resources, protects the most vulnerable, and works with others in the community to shape services and help find solutions for the future.’ The approach and work of the Local Committee directly contributes to achieving this vision.*

2.2 *Eden Local Committee’s current priorities were developed through the Committee’s Member / officer working groups. These priorities are highlighted in appendix A. In order to ensure that it is able to support both the Council Plan and area planning priorities, the Local Committee needs to make the best use of the resources available to it, including its budget allocations.*

3.0 RECOMMENDATION

It is recommended that Local Committee:

- 3.1** *Allocate £24,750 to Area Planning from the Local Committee base budget.*
- 3.2** *Allocate £18,000 to Community Grants from the Local Committee base budget.*
- 3.3** *Allocate £29,569 to 0-19 Grants from the Local Committee base budget.*

- 3.6** *Allocate £17,016 towards 11-19 Universal Services from the Local Committee base budget under the allocations described in paragraph 4.14.*
- 3.7** *Local Committee note the decision by Council to allocate an amount of £34,870 towards the Money Advice Service from the Local Committee base budget.*
- 3.8** *Local Committee note the allocation of an Environment Fund of £200,000, which is a one-off allocation for 2022/23 only.*

4.0 BACKGROUND

- 4.1 The 2022/23 Local Committee budget was agreed by full Council at its meeting on 10 February 2022. The delegated budget lines are streamlined to afford Local Committees the opportunity to vary specific allocations in accordance with the local area plan priorities.
- 4.2 In order to consider the most appropriate way to allocate their devolved funding in line with current Local Committee priorities, Members reviewed budget lines at a seminar session on 8 March 2022.
- 4.3 The proposed allocation of Local Committee's budget is outlined in Appendix B for Members' consideration, and the following paragraphs outline the rationale for these proposals.
- 4.4 Where Council has allocated funds to the General Provision, 0-19 Services, Universal Youth Services and School Crossing Patrols budget areas; the Local Committee may vire funds between these accounts should it choose to do so.

Community Development Team

- 4.5 Local Committee has been allocated £64,327 under the Area Support Team budget heading. Members meet with the team on a regular basis and receive performance reports detailing the range of activity undertaken throughout the year and the positive outcomes achieved.

- 4.6 Over the past year, as well as continued efforts relating to COVID-19 response and recovery, the community development team has concentrated activity building strong communities and encouraging the community to take part in helping shape council services. Activity continues to encourage colleagues from across the Council to utilise the skills of the community development team to engage, listen and respond to the needs of local people and the places they live. As part of this, the team has continued to work alongside local Members to support them in their community leadership role.

Area Planning

- 4.7 It is suggested that £24,750 is allocated to the area planning budget line. The area planning budget line is available to support area planning delivery work in Eden. Members will be fully engaged in this programme through local delivery, Member workshops and via the area planning report tabled at each Local Committee.

Community Grants

- 4.8 It is suggested that £18,000 is allocated to community grants. The community development team will continue to administer community grants, advise and support the groups to make their application and carry out all necessary checks.
- 4.9 Retaining the population-based funding split would result in the following divisional allocations.

| Electoral Division | Population | Amount |
|---------------------------|-------------------|---------------|
| Alston and East Fellside | 6,274 | £ 2,128 |
| Appleby | 5,561 | £ 1,886 |
| Eden Lakes | 5,549 | £ 1,882 |
| Greystoke and Hesketh | 5,890 | £ 1,998 |
| Kirkby Stephen | 6,420 | £ 2,178 |
| Penrith East | 6,120 | £ 2,076 |
| Penrith North | 5,581 | £ 1,893 |
| Penrith Rural | 5,869 | £ 1,991 |
| Penrith West | 5,802 | £ 1,968 |

0-19 Youth Grants

- 4.10 Grants to organisations who deliver activities and projects for young people aged 0 -19 should continue to be supported. Guidance previously agreed by Cabinet states that in allocating funds from this category, Councillors should satisfy themselves that projects address at least one of the following criteria:
- Provide access to play, recreational, leisure or outdoor activities.

- Provide access to care or educational activities.
 - Provide access to safe and enjoyable places for children and young people to go.
 - Provide access to holiday, weekend or out of school activities.
 - Enable children and young people's involvement and participation eg. forum, youth council, engagement, empowerment, decision-making.
 - Support children and young people to take part in volunteering or community action.
- 4.11 It is suggested that £29,569 is allocated to enable 0-19 youth grants. Each grant application will be discussed at the Eden Local Committee Children and Young People Working Group.
- 4.12 Of the 0-19 total allocation, it is suggested by the Eden Local Committee Children and Young People Working Group that £10,000 is allocated to support strategic development for young people.

11-19 Universal Services

- 4.13 Universal youth work can best be described as a safe space where children and young people can go to access a range of positive, age-appropriate activities. Council has allocated £17,016 to support the continued strategic development of universal youth services in Eden.
- 4.14 Following mapping work undertaken to ascertain demand, the suggested allocations to be ringfenced are for universal youth service delivery in Alston, Appleby, Kirkby Stephen and Penrith with an amount of £4,000 each.

School Crossing Patrol

- 4.15 The service level agreement for school crossing patrols in the Eden area is attached at Appendix C. Of the fully costed Service Level Agreement, only 1 sites currently have a school crosser in place with recruitment currently underway for the Kirkby Stephen SCP.

Money and Debt Advice

- 4.16 Council has allocated £34,870 to Eden's Money and Debt Advice service which is currently delivered by Citizen's Advice Carlisle and Eden.

Environment Fund

- 4.17 The purpose of this ring-fenced fund will be to support a range of environmental improvements or enhancements, covering for example, enhanced verge maintenance, tree maintenance and replacement, footpath maintenance, nature recovery, biodiversity improvements and improving the environmental conditions and quality of life.
- 4.18 Members will discuss a recommended programme at a workshop in April and will be invited to approve the Eden programme at the May Local Committee meeting.

5.0 OPTIONS

- 5.1 Members may decide to support the recommendations outlined in this report, amend them and choose to commit different levels of funding within their delegated budget, or not to accept them. It is important to note however that the allocation of funding plays a key part in the ability of the Local Committee to meet the Council's priorities and the focus for the local area, and this needs to be taken into account when allocating resources

6.0 RESOURCE AND VALUE FOR MONEY IMPLICATIONS

- 6.1 The financial implications are detailed in this report.

7.0 LEGAL IMPLICATIONS

- 7.1 The proposals contained within the report fall within the proper remit of the Committee as afforded by the Constitution.

8.0 CONCLUSION

- 8.1 The report outlines Members opportunity to clearly focus community activity managed through Local Committee in line with Council priorities and area specific need.
