1.0 PURPOSE OF PAPER

- 1.1. This paper asks Members to consider areas to recommend for consideration by the Adults Scrutiny functions in the future Unitary Authorities.

2.0 ISSUES FOR SCRUTINY

- 2.1 Discuss recommended topics for consideration by the new Adults Scrutiny arrangements across Cumberland and Westmorland and Furness...

3.0 AREAS OF SCRUTINY FOR FUTURE AUTHORITIES

- 3.1 As this is the last formal meeting of the Scrutiny Advisory Board - Adults Members are asked to consider recommended topics to pass to the new Adult Scrutiny Functions across Cumberland and Westmorland & Furness. For Members information there will be an Adults Scrutiny Committee in Cumberland, in Westmorland the Adults Scrutiny will be undertaken through an Health & Adults Scrutiny Committee.
- 3.2 Attached at Appendix 1 is a table of proposed topics to recommend which includes outstanding items from the Scrutiny Advisory Board – Adults' existing work programme, Members will need to consider other topics which the Board has looked into previously that the new Committees will need to keep abreast of, as well as potential new areas which may require Scrutiny.
- 3.3 Members are asked to share their views on significant scrutiny areas/items for the future, with a particular focus on:

- What current scrutiny areas/items are important to the Scrutiny Advisory Board – Adults, and why?
- What historic scrutiny areas/items would Scrutiny Advisory Board – Adults highlight as significant, and why?
- What scrutiny areas/items would Scrutiny Advisory Board – Adults identify for future scrutiny?
